Liberdade

Ai que prazer
Não cumprir um dever,
Ter um livro para ler
E não o fazer!
Ler é maçada,
Estudar é nada.
O sol doira
Sem literatura.

Livros são papéis pintados com tinta.
Estudar é uma coisa em que está indistinta
A distinção entre nada e coisa nenhuma.

Grande é a poesia, a bondade e as danças...
Mas o melhor do mundo são as crianças.

Fernando Pessoa
16 de Março 1935
